EDITORIAL COMMEST.

THERE was a mean attempt to drag the Hon. George H. Pendleton into the Belknap scandal, but it proved abortive. Some politicians are mean and base enough to attempt anything Mr. Pendleton never paid any money to Mrs. Belknap for any purpose what

Ir it be true that Mrs. Belkus takes her fall and shame without my grief, we feel less inclined to extend her any sympathy than we would under a different state of case. If re cent developments are not sufficient to drag even a heart of stone down to the depths of humility, we cannot see what would.

MARDI GRAS DAY at Louisville, was bad on the people there, as the papers say that over 3,000 of them had the influenza in a few days after the celebration. This disease seems to be prevailing all over the State. The sudden changes in the weather, and the remarkable winter and spring, have caused it, the doctors say.

WE remember no year, of our no very long life, to have witnessed and read of so many destructive tornadoes. Over all the length and breadth of the land, we bear of fearful storms every few weeks, which are destructive alike to property and human and animal life. We are thankful that these strange seasons come so seldom.

Two Frankfort geutlemen, Green Clay Smith, and Mr. J. R. Graham, have obtained the right from the Legislature, to use the old reservoir in the Capital grounds, as a propagating place for California Salmon. commend the enterprise of these gentlemen, to others, who have equal, Taft, of Cincinnati, is well received by Accommodation for Drovers if not greater facilities for such an undertaking. While the question is being agitated, let the people act.

Some of the Radical writers say that Mr. Blackburn, one of the Belknap investigating Committee, acted with a "low malignity" in exposing two Kentucky women, wives of Belk-CRAB ORCHARD HOTEL nap.
